Happy Mother's Day!

The Grantsburg Area Chamber of Commerce was formed for the purpose of advancing the commercial, industrial, educational, civic organizations and to promote tourism within our surrounding community.

Featured Chamber Member Grantsburg Golf Course

The Grantsburg Golf Course was established in 1927, making it one of the first small village owned courses in the upper Midwest.

In late April of 2007, a local group of volunteers stepped up to manage the Grantsburg Golf Course. There has been significant volunteer effort from community members to modify the golf course to accommodate Burnett Medical Center's building expansion project and make significant repairs and upgrades including building a new number three green, a complete renovation of the irrigation system, a more extensive cart path system, as well as many other improvements.

John Addison, a Grantsburg native, now leases the course from the Village of Grantsburg.

Grantsburg Golf Course is open to the public seven days a week. Leagues include: Monday is Youth Day; Tuesday is Ladies' Day; and Wednesday is Men's Day.

Please visit their website for more information on the course, rates and special events: www.golfgrantsburg.com
